ELIXIR

THE STORY

There's a farm in Southern Estonia called Marjamaa (berryland). As the name suggests, the fields and woods around the farm are rich with berries: loganberries, blueberries, cranberries and strawberries. Koch's liqueur masters pick the freshest and tastiest of them and, learning from ancient traditions, create a one of a kind elixir.

THE TASTE

Sweet. Fresh. Ripe. Aromatic. If summer had a taste, this would be it.
