BERRY LIQUEURS (PET)

THE STORY

Liqueurs were used to treat patients already in the 11th century. Here is a selection designed simply for enjoyment. Everyone can find a favourite – raspberry, strawberry, coffee, amaretto, cranberry, cherry, pineapple, blackcurrant, chocolate or a green apple flavoured liqueur.

THE TASTE

It's like sipping candy, so playful and fun, sweetness and crispiness all in one.

PRODUCER

KOCH OÜ, LOOTSI 10, 10151 Tallinn
