KOCH OSSINOVSKY VODKA

THE STORY

YOSSINOVSKY VODKA is inspired by the slogan of the Estonian Government's alcohol policy "Drink Half as Much". The state tries to regulate everything that is connected with the creation, production, importation, transportation and sale of alcoholic beverages. It is a policy inspired by the prohibition era in the US in 1920-1933.

This premium class vodka is made from the best Estonian spirit using silver filtration and the knowledge of Koch vodka masters.
